Gilchrist & Soames The Sprout Out Collection is free of petrol-derived ingredients. Instead, the formulations include naturally derived USP glycerin, conditioning agents from honey and plants, soybean and cottonseed oil. They are free of artificial dyes. Shampoo, conditioner, conditioning shampoo, body wash and body lotion are the liquids in the collection, which also has two gentle soaps. **Gilchrist & Soames, Indianapolis, Ind., USA** Internet: www.gilchristsoames.com

Tomlinson Non-skid cutting boards from Tomlinson's C&K Products Division have rubber feet to hold the board firmly in place even on wet or greasy surfaces. The pads are easy to remove and clean and are dishwasher safe. Boards are made of non-absorbent high density extruded polyethylene and are NSF listed. The boards are heat resistant up to 185°F and are dishwasher safe. They won't chip, crack or warp. **Tomlinson Industries, Cleveland, Ohio USA** Internet: www.tomlinsonind.com

Hartmann The Hartmann mini bar can be built into existing furniture or can be positioned freely within a room. The door is available in black or glass to match the body. The mini bar is maintenance free, noiseless during operation, vibration free, and energy efficient and is available in a variety of sizes. **Hartmann-Tresore, Paderborn, Germany**
Internet: www.hartmann-tresore.de Email: info@hartmann-tresore.de

AGATH As easy as hanging a picture on a wall, you have a stylish, slim mirror and a television for your rooms and/or bathrooms. The televisions/mirrors may be installed in the wall or on the wall. They incorporate the best of new technologies while offering an outstanding visual presence. **AGATH SARL, Rillieux La Pape, France**
Internet: www.agath.com
